2009 IBEDS Designee –

- Use password assigned to IBEDS Coordinator
- Limited access to 2009 IBEDS documents only

Note – SDE releases this password **only** to individuals approved by a Superintendent, Charter Administrator or Member of the Board of Trustees

That's it 🙌😊

- See "How to Create Assignment Sheet" Instructions
- Your 2009 IBEDS files will need to be "unzipped" in order to use them
 - xxx.zip = the IBEDS program (including your 2009 active building list and utility to create paper assignment sheets)

Files are password protected - sent to your 2009 IBEDS designee in a separate email.

Call 332-6845 if you have problems unzipping the files - but first consult your technology personnel.

Note - The file to create paper assignment sheets are included in this "zipped" file. Instructions to follow.
